## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Benton:

I herewith present my first annual report as superintendent of your schools.

The total enrollment for the school in 1942-1943 was 16. The average membership 13.27. The percent of attendance 93.10% and the number of tardinesses were 8. There were four pupils attending Haverhill Academy. There were two elementary pupils at East Haverhill, three at Haverhill Corner and two at Glencliff.

This year the total enrollment is 10.

There is one pupil attending Haverhill Academy and ten pupils attending an elementary school outside the district.

Mrs. Katie Paige of Groton, Vermont is teaching your school this year. Mrs. Paige is an experienced teacher; she understands the problems of a rural community; she has taught fundamentals well and in addition she has done valuable work in Home Economics and Agriculture. We are fortunate not to have to change teachers in the middle of the year. We hope to retain the services of Mrs. Paige for another year.

The spring was cemented and covered. This will result in a purer and better water supply.

Respectfully submitted,

RONALD A. PERHAM,

Superintendent.
